ICare Connect Carers Project for 2025 – Caring for Carers

ActivLives as a charity has been working with Carers for many years within our existing membership. We understand from experience, that for many carers, caring for a family member, friend or partner, takes up a large part of their lives and some lose touch with friends and family as a result.

ICare Connect project is a one to one, support service designed to assist people with coping when their caring role changes and moving forward in a step-by-step way. If you are a former carer and need some support to re-connect with groups and activities, then this project could help you. The project is also supporting men in Felixstowe, Woodbridge and Ipswich who may be isolated due to their caring role or lonely after losing a partner.

If you want to know more, please contact Alison Pearson on 01473 345350, or email alison@activlives.org.uk as she is the lead for the project.

If you would like to know more about ActivLives please call on 01473 345350 or go to www.activlives.org.uk

ActivSport is an inclusive Sports Programme

An inclusive sports programme that is open to adults of any age, who would like to become more physically and socially active. It is targeted particularly at those who are not already involved in regular physical activity or sport. We welcome **all** new participants with all levels of ability. We focus on the social and physical benefits that can be gained from these sport sessions.
